Dedication

We members of the Class of 1954 wish to express our gratitude to the two teachers who have served as our class sponsors in our junior and senior years at Yorktown. They have been thoughtful, kind, helpful, and understanding as they have worked with us to plan our many class activities.

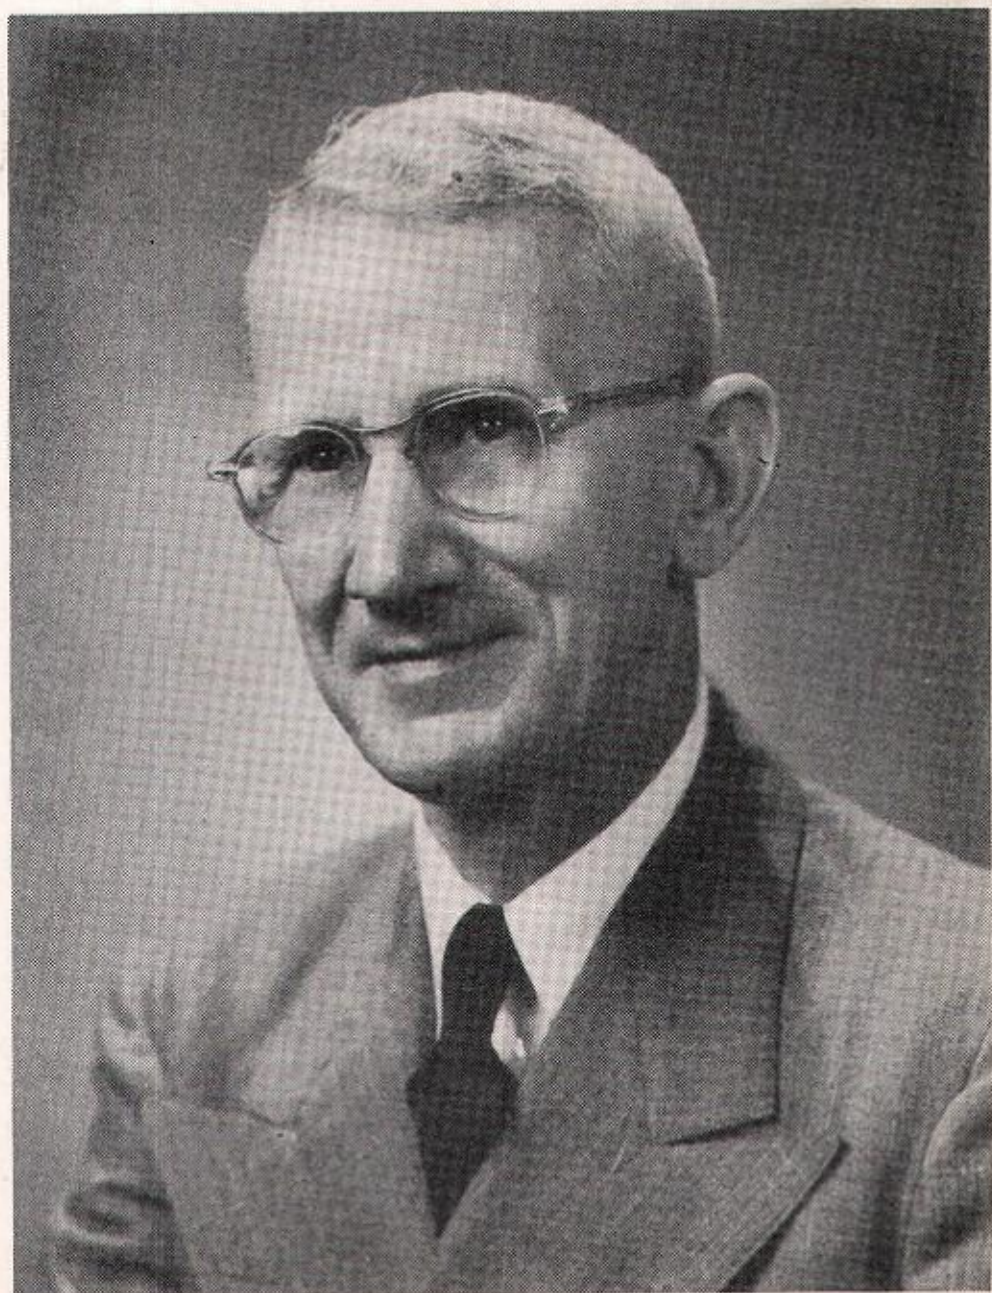

We dedicate the 1954 edition of The Episode to

TO THE SENIORS:

After a good many years of work in the public schools, I feel that my associations with you for the past two years have been valuable and challenging experiences for me, and I hope for you. You have worked closely together in your own interests and in the interest of your school. You have proved to me that as future citizens of this community you will stand wholeheartedly and together behind a development program for both building and curriculum expansion. Even though life situations are continually becoming more complex, I believe that you will meet them satisfactorily.

Let me say parenthetically that I believe there is little wrong with youth today. The young people are as pure at heart as they always have been. They are solid, sincere, and noble. They sometimes lack backbone and substitute wish-bone for it. For your success let me warn you against doing so.

The four steps on the Golden stairway of success are: "I am" — "I can" — "I ought" — "I will." The first three are God given — the "I will," He leaves to you and to me.

You will be alumni as long as you live. I hope you will be proud of and profit from your association with Yorktown High School.

EARL SNIDER

In Earl Snider's two years as baseball and basketball coach, he has turned out two county championships, one in baseball and one in basketball. This basketball championship made a record for him. Mr. Snider is the first coach in Delaware County to coach a county championship team for four times.

1954 COUNTY CHAMPS

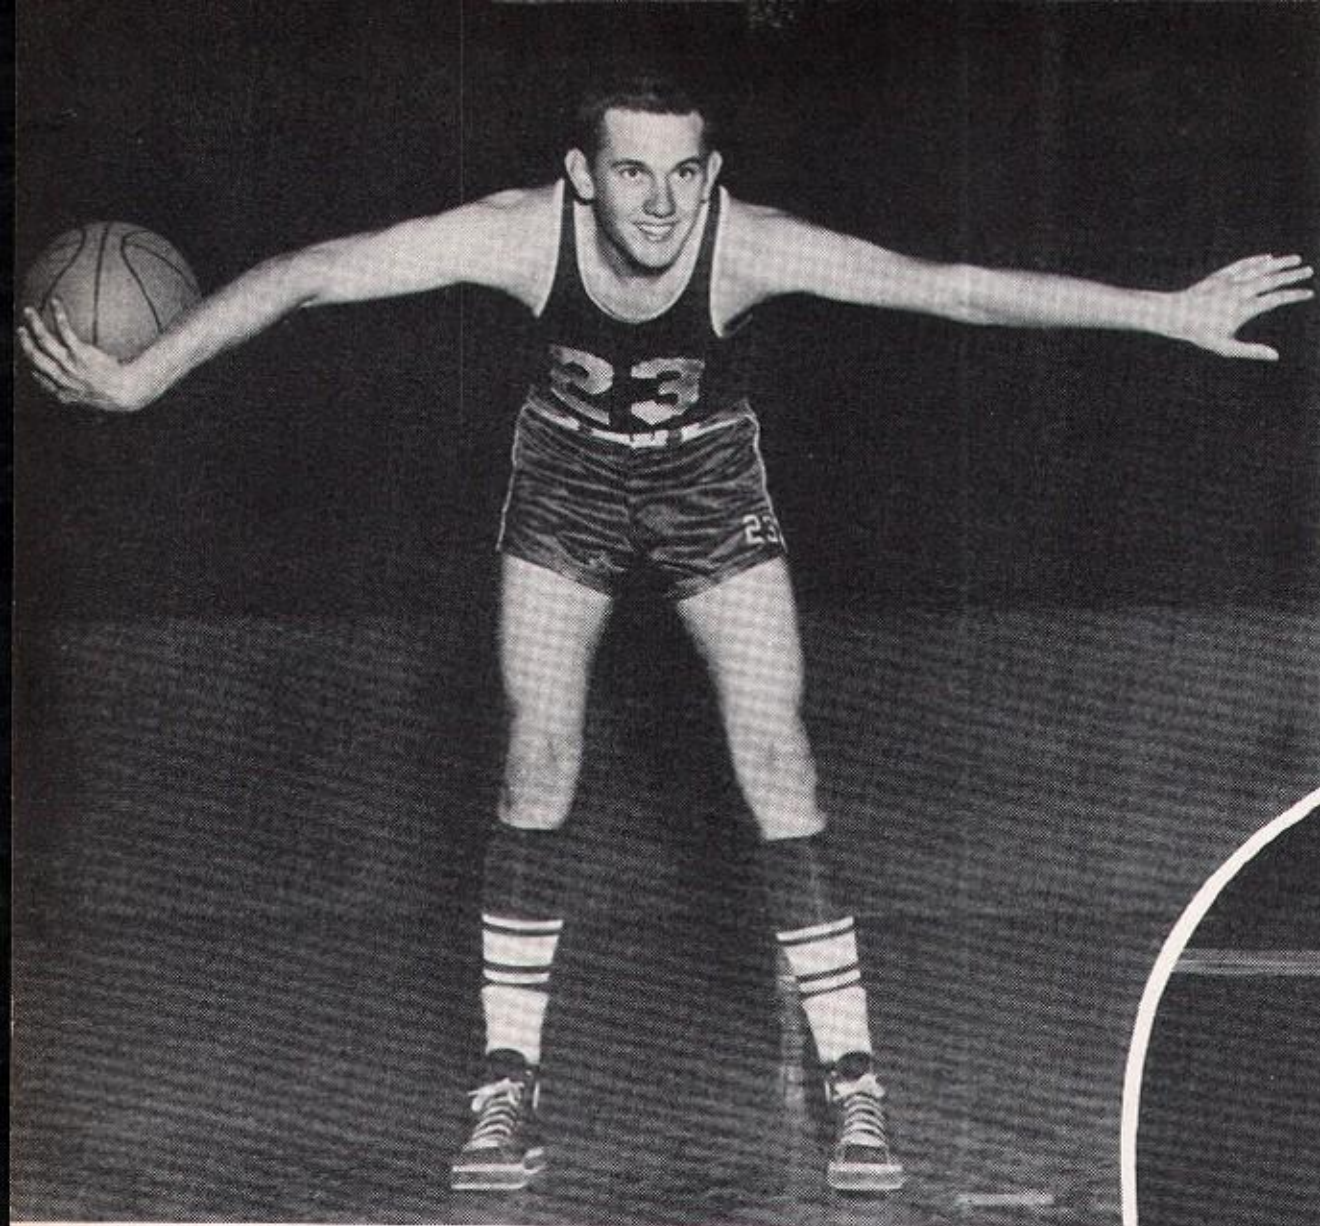

Left to Right

Jim Mitchell, Larry Green, Mike Paluch, Fred Haisley, Delbert Beeman, Bill Bousman, Coach Earl Snider, Modie Beeman, Dick Morrison, Bob Swander, Ed McKibben, Max Hensley, and Bob Reynolds.

BOB SWANDER, one of Yorktown's great athletes if not one of the county's greatest, was the leading scorer for the past two years. Bob was an all around man and will be wanted by most colleges. He now holds the distinguished honor of scoring more points in any one season than any player in the county and Muncie schools.

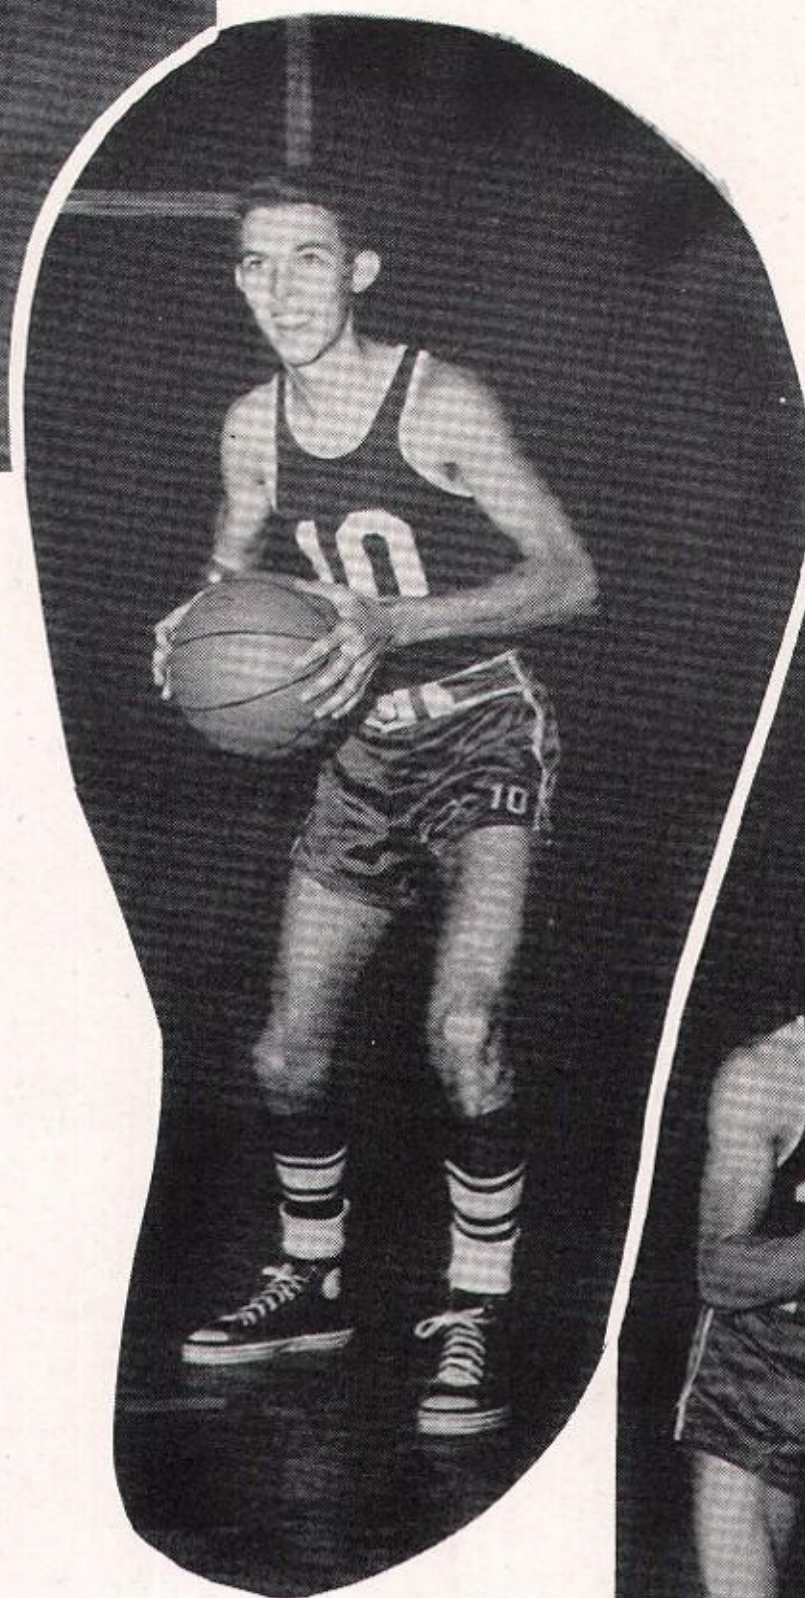

Burris Game

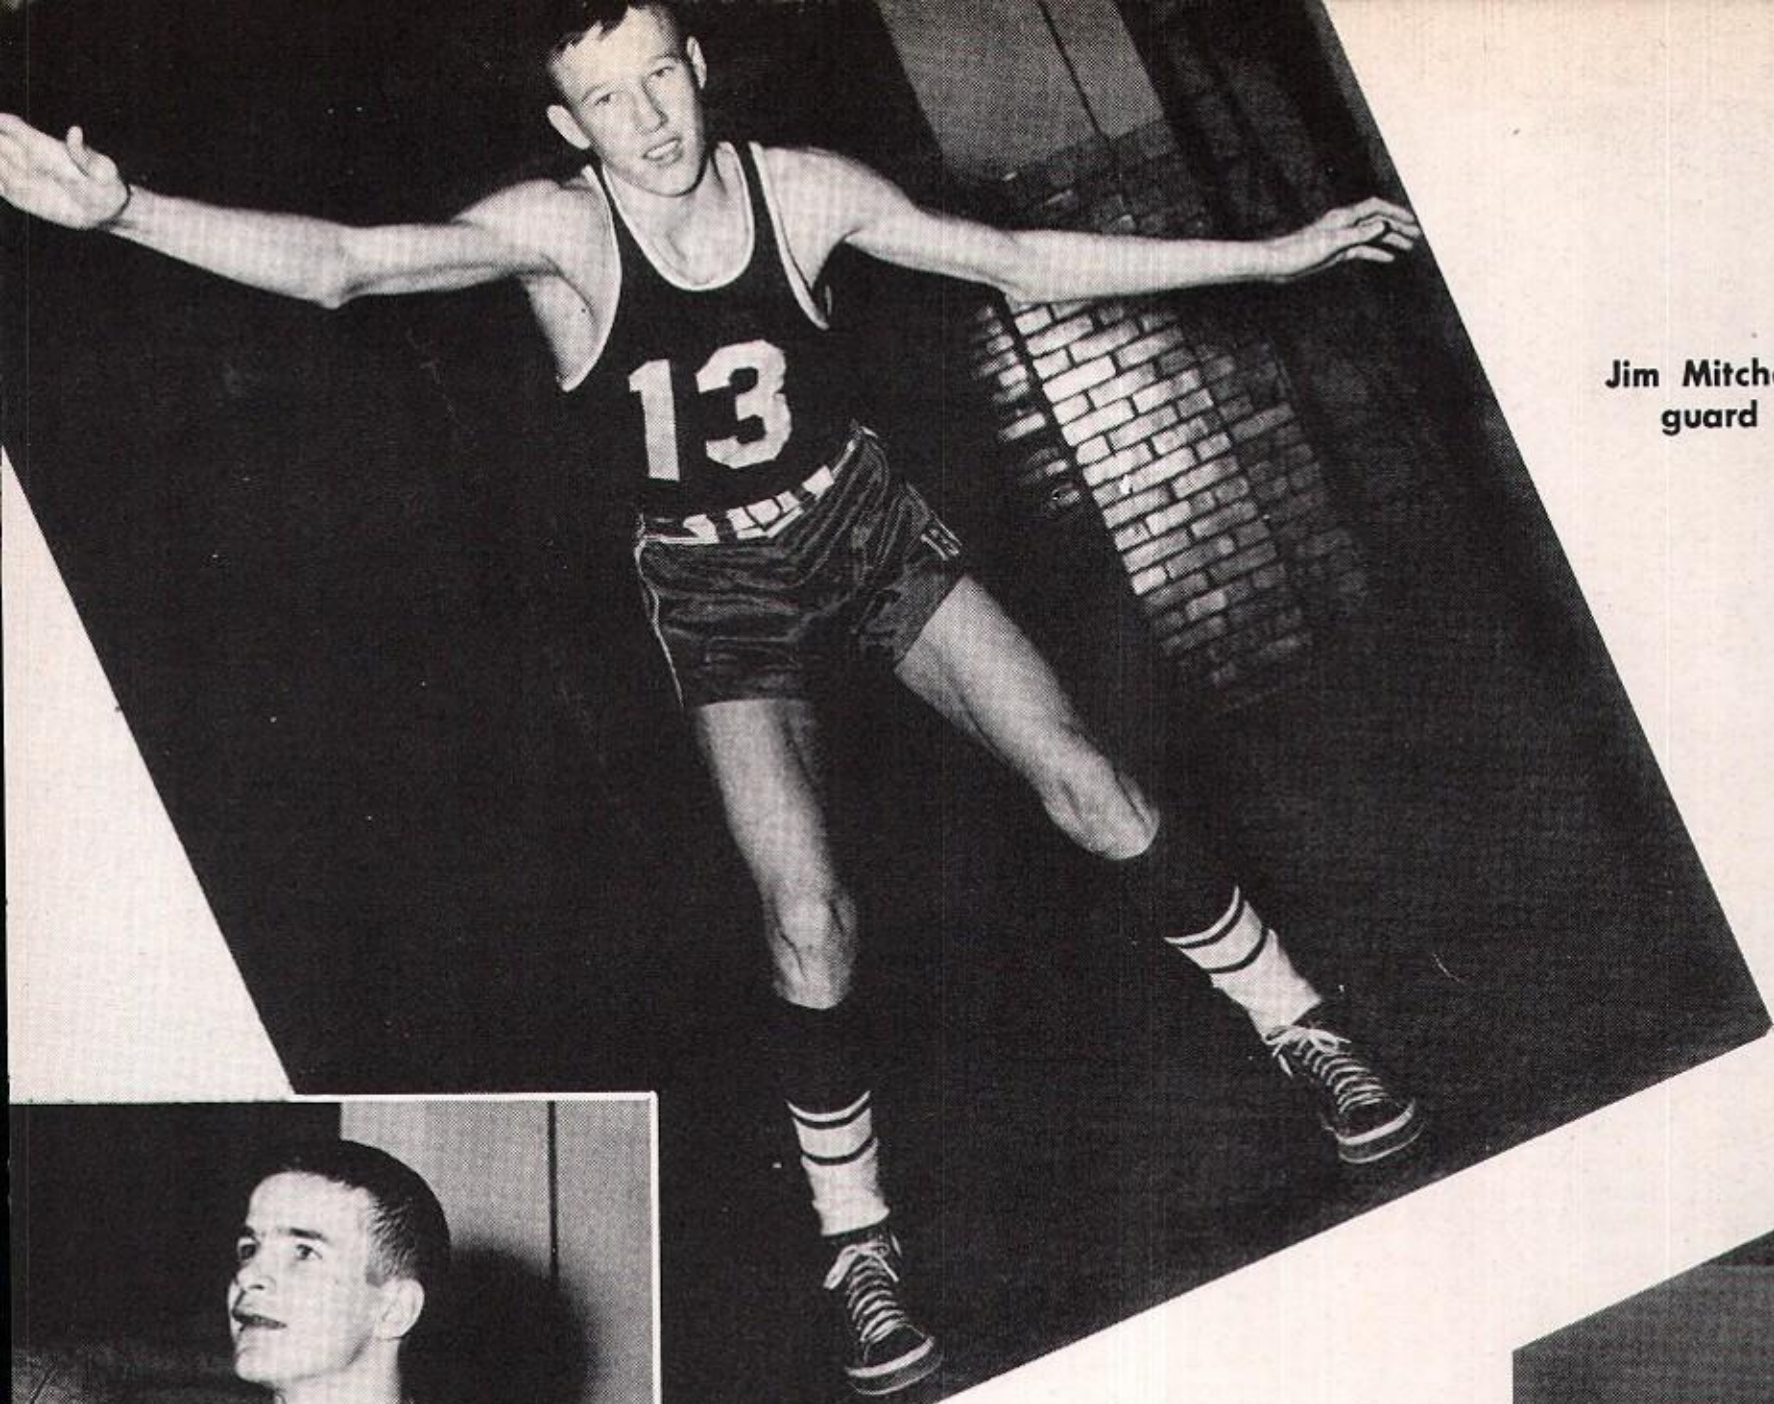

BILL BOUSMAN, the reserve center and forward, played some very good ball throughout the year. Bill was handicapped by having other good boys for his position but he made a very good record his senior year.

LARRY GREEN, a regular guard all year, was one of the best ball handlers and spark plugs on the team. Although he was one of the smallest members on the team, he overcame his disadvantage by his clever actions.

MIKE PALUCH, never a man to say give up and a very dependable boy, was one of the first trainers on the squad and a capable reserve.

Second Row, Left to Right

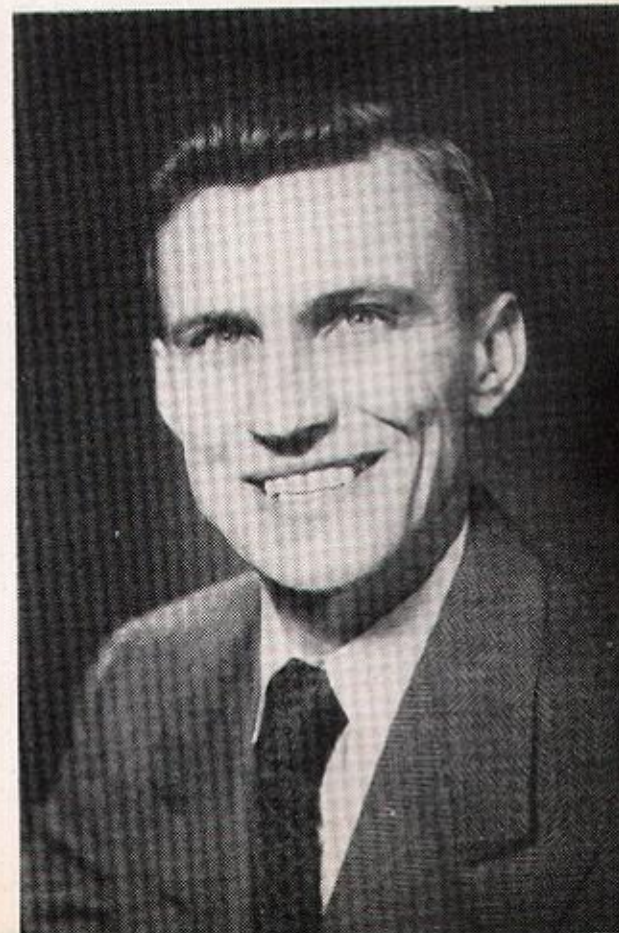

Coach Bob Watson, Charles Garver, Gayle Ellis, Jim Bratton, Jim Ellis, Joe Reasoner, Carl Snodgrass, Dick Glaub.

Our second team of Yorktown High School has always had a fighting spirit and remarkable ability to win.

Robert Watson's first year, as second team coach, reliable, and well liked by the boys on the team. The record of the second team speaks for itself.

BASEBALL

Robert Watson

Earl Snider

The above trophy signifies that the Yorktown baseball team was victorious over the other eight competing county clubs and were crowned County Champs of 1953. The team was very strong defensively but weak in hitting. The pitching over all was good with Mike Paluch doing most of it. Mike will be missed next year, although Bob Reynolds, Dick Morrison, Dick Glaub, and Carl Snodgrass will be back to give us a good pitching staff. The loss of Bob Swander as regular catcher will be felt along with his good hitting ability and his defensive catching.

Other seniors who will be missed are Larry Green, shortstop; Jerry West, regular second baseman. Both of these boys had a good hitting record.

This team is one of which Yorktown can be rightfully proud.
